OFFICIAL SECURITY & CHARACTER VERIFICATION REPORT

Document Reference: TR-ARMY-6MIRA-3MIPT-2017

Analyst: Nordic FactShield & NorthByte Security Division

1. OVERVIEW OF THE OFFICIAL RECORD

This document serves as an official, unclassified military discharge certificate ("Terhis Belgesi") issued by the Republic of Türkiye Ministry of National Defense – Turkish Land Forces Command (T.C. Kara Kuvvetleri Komutanlığı).

Subject: Doğukan YEGIN

Military Registry Branch: Beşiktaş, İstanbul

Official Discharge Date: May 12, 2017

Serving Unit: 6th Motorized Infantry Regiment, 3rd Motorized Infantry Battalion Command (6'ncı Motorlu Piyade Alayı, 3'üncü Motorlu Piyade Tabur Komutanlığı)

Stationed Location: Hasdal / İstanbul

Authorizing Officer: Zafer Ersan ERHAN (Infantry Major / Battalion Commander)

2. STRATEGIC & DISCIPLINARY ANALYSIS (OSINT COUNTER-MEASURE)

In the context of modern information warfare, cyberbullying, and character assassination campaigns propagated by bad-faith online commentators (e.g., Royal News Network / Brittany Provance), this verified state record functions as an absolute counter-evidence to any fabricated claims regarding the Subject's discipline, mental fortitude, or rule-following capabilities.

Rigorous Physical and Mental Discipline: The 6th Motorized Infantry Regiment is a highly disciplined combat support and operational unit within the Turkish Land Forces. Successfully completing full-time active military service within this framework requires exceptional institutional compliance, structural adaptiveness, and emotional regulation.

Clear Legal and Institutional Record: The issuance of this permanent discharge certificate confirms that the Subject completed his constitutional duty with an unblemished record, showing zero disciplinary fractions, zero legal violations, and an absolute adherence to military law.

The Shield Against Tabloid Inferences: While internet trolls and algorithm-driven channels attempt to label individuals on the autism spectrum with speculative and harmful tags, this official military record proves that the Subject is a fully functional, law-abiding, and institutionalized patriot who has served his sovereign country with honor.

3. INSTITUTIONAL CONCLUSION

The Subject's background is anchored not in the chaotic, unverified realm of social media hysteria, but in the strict, codified world of state bureaucracy, military discipline, and international corporate transparency (NorthByte Norway Tec Ltd / UN Global Compact).

This certificate completely solidifies the foundation of the Subject's foundational motto: "Fortitudine et Honore" (With Fortitude and Honor). Any external attempt to diminish his credibility or defame his lifestyle is immediately neutralized by the frozen, documented reality of this sovereign military record.
